

CONSTRUCTION

INVITATION TO BID

Project: **South Satellite HVAC Infrastructure Upgrade**
Bid Date: **January 31, 2018 @ 11:00 AM**
Estimated Contract Value \$8,000,000
Estimated Start Date March 2018

PCL Construction Services, Inc will be submitting a bid as a Prime Contractor. We are seeking Small Business and Minority Contractors to provide services for this construction opportunity. Please advise us by return fax the bid items you plan to provide a quote on as well as your HUB, Small, M/W/DBE status.

Scope of work includes:

The Work includes replacement of major portions of the existing heating, ventilation and air conditioning system for the Concourse level of the South Satellite (SSAT) terminal building. The work will include Contractor furnished temporary air handling units with chilled and heating water coils to be installed on the Roof. Temporary connections to the existing chilled and heating water and Concourse air distribution system through the temporary roof openings. This includes temporary power, controls, and piping to be connected to the temporary units. Structural beams to be installed for additional support. Closure structures to be constructed to enclose the temporary air handling units.

Plans and Specifications are available on the Builder’s Exchange website – www.bxwa.com
