Seattle Medium 2018 Business & Service Guide

Dear Small Business Owner/Manager,

The Seattle Medium Newspaper Group, the largest African American owned communications group in the Pacific Northwest, is inviting you to be a part of our 2018 Business & Service Guide. This special supplement to The Seattle Medium/Tacoma True Citizen Newspapers, which will be published and distributed in January 2018, will provide an opportunity to connect our readers/supporters to goods and services produced by local businesses in the Greater Seattle area.

The economy and direction of our country is changing and as the saying goes “All politics are local.” Well the same thing applies to businesses. The success of our local businesses and economy depends on the support that they receive from our local community. There is not one day that goes by where someone does not reach out to our office for a referral to a local business. This guide will allow us to provide our community with a valuable resource that they can refer to throughout the year.

Participation is two-fold. 1) local businesses can place their business card in the special edition of our newspaper. 2) business owners will also have the opportunity to have their business listed for one-year in our online business directory.

Option 1: Placement of business card in the special edition only.

Cost: \$75.00

Option 2: Placement of business card in special edition, plus one-year listing in our online business directory (seattlemedium.com).

Cost: \$100.00

Publication Date: Weds., January 31, 2018

Sincerely,

Chris B. Bennett
