

ATTENTION: MINORITY/WOMAN-OWNED AND SMALL BUSINESSES!

Marpac Construction is a minority-owned firm based in Seattle that understands the existing challenges for minorities and women in this industry. Diversity is Marpac's core value. **Subcontracting opportunities** for the following projects will be presented at meeting dates and locations below. Each event will cover a separate construction project.

→ Download **scopes of work** for each project here: <https://bit.ly/2HM988V>.
