US Coast Guard Industry Day

The U.S. Coast Guard Shore Infrastructure Logistics Center (SILC) Base Services and Support Contracting Office will be hosting an Industry Day featuring a panel of Coast Guard representatives and general networking with US Coast Guard and other agencies. Bring your capabilities statements!

WHO SHOULD ATTEND: Companies, large and small, including socioeconomic businesses that are interested in SILC Base Services and Support contracting and subcontracting opportunities in areas including, but not limited to:

- janitorial services
- grounds/landscaping services
- food services
- housing maintenance services
- security guard services
- maritime supplies such as buoys and lanterns.
- oil spill and other response contracting agreements, such as Basic Ordering Agreements (BOAs).

Please note that SILC BSS does not procure IT related services or supplies.

For more information including links to what each contracting office buys and the forecast of opportunities, visit the link below or FBO.gov and search for US COAST GUARD SILC-2019 Industry Day.
