Spectrum Development Solutions

Othello Square Building C

Seattle, WA

Brief Description:

The Project is part of Othello Square, located at the southwest corner of Martin Luther King, Jr. Way S. and S. Othello St. Othello Square is envisioned as a uniquely integrated, culturally-competent and welcoming gateway center. "Building C" is located on the NW corner of the main parcel of the Othello Square campus and will contain workforce housing above the commercial podium base containing the Seattle Children's Odessa Brown Children's Clinic. The Building C site slopes approximately 6-7' from the northwest corner up to the southeast corner. There are no structures currently occupying the proposed project site. The adjacent site to the East building C has known contaminants requiring remediation, which are not anticipated to impact Building C's project site at this time.

**Seattle Housing Authority
Job Order Contracting**

Brief Description:

SHA anticipates utilizing the Job Order Contracts to provide repairs, renovation and rehabilitation to its residential units, including high-rise buildings, multifamily communities and single/multifamily residences within the Seattle city limits. Work will be considered Public Works and will be subject to the applicable state or federal wage schedule and related regulations. SHA selected the Gordian Group's (Gordian) Job Order Contracting System for their JOC program.
