

Invites you to our

# SBE/DBE CONSULTANT OUTREACH and NETWORKING EVENT

## HNTB

is seeking to identify small and/or disadvantaged consulting businesses (SBE/DBE) that enhance our capabilities to deliver transportation infrastructure projects in Washington State.

We invite you to learn more about upcoming projects, meet our staff, and visit with us to explore teaming opportunities. Our event will include a short presentation, followed by open networking and one-on-one discussions.

### The types of opportunities we anticipate for SBE/DBE teaming partners include:

- |                          |                    |                                 |
|--------------------------|--------------------|---------------------------------|
| Civil Engineering        | Public Outreach    | Document Control                |
| Structural Engineering   | Sustainability     | Surveying                       |
| Utility Design           | Agreements         | Right-of-Way                    |
| Traffic/MOT Engineering  | Technical Writing  | Acquisition or Relocation       |
| Drainage/Hydraulics      | Quality Management | Service                         |
| Traffic Analysis         | Cost Estimating    | Construction Management/        |
| Landscape/Urban Design   | Scheduling         | Inspection                      |
