EMERGENCY REQUEST FOR INFORMATION (RFI)

Coronavirus (COVID-19) protective supplies

URGENT NEED FOR SUPPLIES

The State of Washington is still seeking to fill severe shortages of specific infection-control products and other healthcare supplies (listed in the table below). If you have any of these products in stock, and can deliver them within 1-2 weeks, please contact the Department of Enterprise Services immediately at DESContractsStrategy@des.wa.gov, 360-407-2201.

DES will purchase these items immediately and in coming days and weeks. The state is able to buy with a purchasing card or purchase order (Net 30 or potentially sooner).

This emergency announcement is not an offer of a contract but is intended to gather information about companies' capability to sell these items to the state to fill urgent needs in hospitals and among first responders.

Please tell us:

- Name, address and contact name, phone number and email of your business:

- In the table below, please fill in the columns for the quantity of items you have in stock, their price, and how soon the items can be delivered.
