

S/DBE Consultant Outreach & Networking Virtual Event Registration  
**City of Seattle's West Seattle High-Rise Bridge  
Replacement Design**

**Wednesday, June 10, 2020 | 9:00 – 9:30 a.m. | Via MS Teams meeting | RSVP by COB Monday, June 8**

The City of Seattle has issued a request for qualifications for consultant services to support the delivery of a West Seattle High-Rise Bridge Replacement Design. Puget Sound Bridge Partners (PSBP) are assembling a team to provide these services, and we are seeking small and/or disadvantaged businesses (S/DBEs) that enhance our capabilities to deliver the program. Opportunities for S/DBE involvement may include:

- Architecture
- CADD/BIM
- Construction Management/ Inspection
- Diversity Management
- Document Control
- Environmental/Permitting
- Estimating
- Geotechnical Engineering
- Landscape Architecture
- Multi-Discipline Engineering/Design
- Planning
- Project Controls
- Real Property Services
- Right-of-Way
- Scheduling
- Structural Engineering
- Survey
- Traffic Analysis
- Utilities Coordination

We invite your firm to learn more and explore teaming opportunities. The event will feature a short presentation, followed by first come, first serve 1-on-1 networking meetings.
